

# 2011-2012 CUSC Fee Structure

## Current & Future Carmel United Families:

For the 2011-2012 Carmel United Soccer Club season, the annual club fees are as follows:

- **Academy (U9-U10) = \$850 (\$425 for fall season, \$425 for spring season,)**
- **Junior (U11-U14) - \$1020 (\$510 for fall season, \$510 for spring season,)**
- **Senior (U15-U18)**
  - Elite Teams - \$950
  - Premier Teams - \$850

## What do the fees support?

The annual club fees support various aspects of the Club including coaches, field maintenance, equipment, and the growth of the Club. The Board of Directors remains committed to managing costs associated with our programs, and the assessed fees will allow us to continue to pursue and secure opportunities to improve existing facilities, to source opportunities for further expansion of our playing and training fields and to attract and retain quality coaches. In addition, we are beginning the process of creating a roster of assistant coaches who will help supplement and enhance the player training experience.

## Are there any additional fees due throughout the year?

Please note that, where appropriate, there will be an additional collection of team fees (initial installment typically due at the organizational meetings after tryouts). After the initial deposit, team fees are collected by the individual team treasurer and normally include a player's "share" of team costs associated with league entry fees, referee payment, tournament entry fees (excluding Indiana State, Presidents and Challenge Cup which are paid for by the Club), required indoor/winter training fees and reasonable expenses for coach's travel to out-of-town tournaments. Team fees and the timing of their collection vary by age group and competition level, and an estimate of these team fees will be provided at the conclusion of the team selection/formation process by the team treasurer. The annual \$50.00 fundraising fee is collected by family (oldest player in the club) and takes the place of a traditional fundraising endeavor (magazine or candy sales, etc.) This fund is used in part to help offset the cost of need-based scholarship assistance for players.

## What is the 2011-2012 payment process?

After the initial club fee deposit is collected at the organizational meetings, CUSC will offer online club fee payments through GotSoccer for 2011-2012 via credit card or check payments. Families may elect to either pay their entire balance of club fees at the organizational meeting or choose an installment plan. For families with three or more children playing with Carmel United/Indiana United, a family discount of \$50 per child will apply. Please contact Shannon Stuart at [Shannon@carmelunited.org](mailto:Shannon@carmelunited.org) to receive your discount. For an estimated calendar of payment due dates by age group, please see the fee schedule attached.

Sincerely,

The Carmel United Board of Directors

**U9 & U10 Academy Teams Payment Plan-Ahead Calendar**

June Organizational Meeting - \$200 fall club fee deposit + \$100 team fee deposit (one check made payable to CUSC)  
Late June/Early July – Uniform Order through Soccer Village
